

BIRBAL SAHNI INSTITUTE OF PALAEOSCIENCES, LUCKNOW

BSIP/RDCC/2017/L- 943

Dated: October 09, 2017

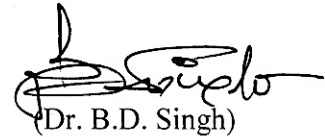

NOTICE

BSIP is organizing an International Fossil Day on 11th October 2017 at 11:00 AM in the Institute's Main Auditorium. On this occasion, popular lectures are being arranged for general audience including university and college students. Short presentations on four following interesting topics will be made with emphasis on newly discovered fossils by BSIP Scientists:

- **Early plant life on Earth since Precambrian times** - by Dr. Mukund Sharma
- **Evolution and diversification of flowering plants in India** - by Dr. Gaurav Srivastava
- **Coal-forming flora of India** - by Dr. Deepa Agnihotri
- **Origin and evolution of ~66 to ~50 million year old warm-blooded animals (an Indian context)** - by Dr. Vivesh V. Kapur

All staff members of the institute are required to attend the event.

This has the approval of the Director.

(Dr. B.D. Singh)
