
The following invited speakers are expected to participate:

1. Dr. K. Praveen Karanth  
   Molecular Phylogeny  
   Indian Institute of Science  
   Bangalore, 560 012  
   Email: karanth@ces.iisc.ernet.in

2. Dr. Suryendu Dutta  
   Biogeochemistry  
   Indian Institute of Technology  
   Mumbai, 400076  
   Email: S.dutta@iitb.ac.in

3. Dr. Thamban Meloth  
   Palaeoclimate/Cryospheric studies  
   National Center of Antarctic and Ocean Research, GOA, 403804  
   Email: meloth@ncaor.org ; tmeloth@gmail.com
4. Dr. Jayshree Ratnam  
   Plant Ecosystem  
   National Center for Biological Sciences,  
   Tata Institute of Fundamental Research,  
   Bangalore  
   Email: j.ratnam.bangalore@gmail.com  

5. Dr. Sanjay Kumar Mishra  
   Climate Change Program Advisor  
   Department of Science and Technology,  
   New Delhi, 110007  
   Email: sanjay_mishra@rediffmail.com  

6. Dr. Rajiv Saraswat  
   Micropalaeotology/Palaeooceanography  
   National Institute of Oceanography,  
   Goa, 403004  
   Email: rsaraswat@nio.org  

7. Dr. D.K. Upreti  
   Lichenology  
   National Botanical Research Institute,  
   Lucknow, 226001  
   Email: dk.uprati@nbri.res.in  

8. Prof. Subir Sarkar  
   Sedimentogy/Basin evolution/Sequence  
   stratigraphy  
   Jadavpur University, Kolkata, 700032  
   Email: mail:jugeoss@gmail.com  
   ssarkar@geology.jdvu.ac.in
9. Prof. B.P. Singh  
   Sedimentology/Himalayan geology  
   Banaras Hindu University, Varanasi, 221005  
   Email: bpsingh_in@yahoo.com; bps_geol@bhu.ac.in

10. Dr. Dibyajoti Paul  
    Isotope Geochemistry  
    Indian Institute of Technology, Kanpur, 208016  
    Email: dpaul@iitk.ac.in

11. Dr. Shailesh Agarwal  
    Geochemistry  
    Wadia Institute of Himalayan Geology, Dehradun, 248001  
    Email: as.shail@gmail.com

12. Dr. Manoj Prasad  
    Plant Molecular Phylogeny  
    National Institute of Plant Genome Research, New Delhi, 110067  
    Email: manoj_prasad@nipgr.ac.in, manoj_pds@yahoo.com
