Research Papers Published (2018-2019)

In SCI (Science Citation Index) Journals:

Ansari AH, Singh IB, Kumar S, Pandey SK & Kumar Y 2019. Note on the C and O stratigraphy of the Garbyang Formation (Malla Johar Area), Tethyan Himalaya, India. (Paper accepted in *Journal of the Palaeontological Society of India*). **IF: 0.667.**

Basumatary SK, Singh H, McDonald HG, Tripathi S & Pokharia A 2019. Modern botanical analogue of endangered Yak (*Bos mutus*) dung from India: Plausible linkage with living
and extinct megaherbivores. *PLOS ONE* 14(3): e0202723. [https://doi.org/10.1371/journal.pone.0202723](https://doi.org/10.1371/journal.pone.0202723). **IF: 2.8.**

Lu Kai-Qing, Min Li, Guo-Hong Wang, Lian-Sheng Xu, David K Ferguson, Trivedi Anjali, Jing Xuan Ying Feng, Jin-Feng Li, Gan Xie Yi-Feng Yao & Yu-Fei Wang 2018. New pollen classification of Chenopodiaceae for exploring and tracing desert vegetation evolution in eastern arid central Asia. *J. Syst. Evo.* **52(2)**: 1-10. **IF: 3.657**.

Shukla MK & Sharma A 2018. Carbon isotope and REE characteristics of the Paleocene–Eocene shallow marine Subathu Formation from the NW Himalaya (India) and their palaeoenvironmental implications. *Chemie der Erde* 78: 314–322. **IF: 1.723**

Singh AK, Chakraborty PP & Sarkar S 2018. Redox structure of Vindhyan hydrosphere: clues from TOC, transition metal (Mo, Cr) concentrations and stable isotope (δ13C) chemistry. *Current Science* 115(7) 1334-1341. **IF: 0.883.**

**Refereed Non-SCI Journals:**

**General Articles/Reports Published**

**In Edited volumes/books chapter**
